2009 FEE SCHEDULE

Winds: \$230

Fall Percussion: \$330

Fall Guard: \$530

(Winter Percussion and WinterGuard fees will be posted in November)

Funds are due in full on one of our registration days prior to Band Camp:

July 25, 2009: 9:00 a.m. to 5:00 p.m.

July 26, 2009: 1:00 a.m. to 5:00 p.m.

In light of the economic conditions, we have worked aggressively to reduce our expenses to minimize the out of pocket expense to our Band Parents; this year alone, our fees for each category above have been reduced by \$200 each. With reductions in fees comes a tighter budget and stronger individual responsibility to achieve the excellence that is the Raider Band; that said, please make every effort to establish and maintain communication with the Band Office. All personal information is held in the strictest of confidence. Applications for fee scholarship for families needing assistance will also be available and due on the registration dates.

All of the monies represented by the above fees are entirely spent on our students; whether by apparel, guest instruction, sheet music, equipment, or other essential items, the Band proper makes no profit from student band fees. We are completely dependent upon band fees and our fundraising ventures to maintain our band program.

All fundraising activities are split between the Band and the individual student at a 60:40 ratio, respectively. After fees are paid, the balance of fundraising activity is placed into individual student accounts for use by the student for Band related expenses; please see handbook for student account policy.

Other fees as necessary: School Instrumental Rental (per semester), Uniform Shoes, Uniform Gloves, Black Socks, Uniform Concert Dresses, Honor Band Audition Fees, Ensemble Fees, Transportation, and other Student Camps are in addition to the above as necessary. Updated pricing lists will be published with the 2009-2010 Band Handbook or as they become available.
